

Alberta Free-Mo

21ST ANNUAL MEET
AUGUST 15-18, BIG VALLEY, ALBERTA

Proudly Presented by 

CALL FOR MODULES

Event Information

Venue: Big Valley Agriplex, Big Valley, AB

Event Dates: 2024 August 15 through 18

Operator Fees:

Full Operator: \$100.00 for full within the Operating Procedures. Fees will be collected on Thursday morning during setup. Anyone that wants to operate without a module has to be onsite by 10:00 am on Thursday, pay their fee, and participate in the setup along with all the module owners.

Guest Operator: \$20.00, a limit of 3 consecutive hours, one session only, between 09:00 – 15:00 Saturday or Sunday. We may limit the number of guests on the setup at any one time to ensure access for full operators.

Free-mo Layout Information

Run Chief: Judy Saucier

Layout Designer: Doug Soeder

Set-up Chief: Jim Ironside

Electrical Chief: Doug Soeder

E-mail: Alberta.Free-mo@calgaryfreemo.ca

Rail Height and Skirting: For this meet the rail height will be 42", skirting is optional.

Set-Up Information

Wednesday, August 14th Pre-Setup

Thursday, August 15th Full Setup

8:00 – Running **All Modules and Full Operators are to be on site by 10:00**

Please Read Your Participant's Guide before Registering

Special Notes:

- Through discussions with other groups on Large Set-ups we have developed a new DCC Electrical Architecture. The new DCC System requirements are outlined on Page 1 of the Participant Guidelines.

It is an honour to be your Run Chief. My singular goal is to provide the direction and support needed to ensure that all participants experience the fun and fellowship of our hobby.

I hope you are able to join us for this event.

Judy Saucier
